

## Key Leaders is a powerful new professional development program designed to advance the leadership skills of top key management.

*Executive Coaches, Ted Miller and Michelle Brody have developed a unique approach blending best business practices, MBA curriculum, and motivational theory to deliver a truly extraordinary program with immediate practical application, resulting in advanced management and leadership skills for your critical management team.*

### Key Leader Program Components

- Ideal for C-level, VPs, and Senior Directors
- Identify your top talent, 2-4 people who will make your company great by becoming better leaders and managers
- Key Leaders attend a high-impact, 2.5-hour management and leadership workshop twice a quarter
- Coaching experts Michelle Brody and Ted Miller co-instruct this dynamic series
- Key Leaders will be accountable for new skill implementation; quarterly in-house coaching sessions will advance the practical application of skills and individual development within your working environment

***You hired for skill and you promoted high performers; your management team IS your company. Put a priority on your company's future by optimizing your management and leadership team. Prepare your leaders to take the helm!***

**We look forward to your Key Leaders joining this high impact development program.**
